ABC Scholarship  
45 Long's Peak Drive  
Denver, CO 76543

To: Dr. Hollis Myers, Scholarship Committee Chair

Dear Dr. Myers,

Thank you for the opportunity to attend the ABC Scholarship Candidate Interview Day at Long's Peak University. I enjoyed meeting several current students and hearing about their academic experiences thus far. I was also happy to learn that all incoming freshmen in the ABC Scholarship program live in the same dorm and attend numerous social and academic functions together throughout our freshman year.

As I stated in my interview, I am applying for this scholarship for two reasons: financial assistance and the opportunity to be part of the academic community this scholarship provides. I recognize the competitiveness of this program and feel honored to have been invited to Candidate Interview Day.

I am eager to hear about my potential acceptance. If selected as an ABC Scholarship recipient, I will work hard to be an excellent student and a contributing member of the scholarship community through volunteer work and active participation in all aspects of the scholarship program.

Thank you, again, for allowing me to participate in the Candidate Interview Day.

Respectfully,

Kaylin Drake
