To: Reese Manuel, Director of Human Resources

Dear Reese Manuel,

I am applying for the Radiologic Technologist position you have open at Park Town Imaging Center. As stated in the job requirements, I am ARRT registered and am a certified Radiology Technician in Oregon.

For the past two years, I have worked in the Radiology Department at Park Town Orthopedic as an entry-level Radiology Technician. I have enjoyed this work but feel I have reached my maximum potential in this setting. I am looking for work that is more challenging and has potential for professional growth. I think Park Town Imaging Center can help me achieve these goals.

I am an enthusiastic and dedicated employee. I like to learn new things and be part of a team. I look forward to talking with you more about the opportunity for employment at Park Town Imaging Center. Feel free to contact me at your earliest convenience.

Regards,

Emerson Kim
