To: Perry Davis, Program Coordinator

Dear Perry Davis,

I am a freshman at American City High School, and I am applying to be a recreation level soccer referee on the weekends and after school.

I have played soccer since I was five years old, and I am a starting forward on the ACHS JV soccer team. I also have experience as a Child Care Provider, so I am comfortable being around younger kids. I have several friends who are already soccer referees in your program, and they really enjoy the work. I am available starting immediately for the spring season.

Thank you for considering me for part-time employment as a soccer referee. I am excited to get started and look forward to hearing from you soon.

Respectfully,

Ryley Bennett
